By Thomas H. Benton. By Thomas H. Benton.

THIS work will be published in 15 vols., 8vo, double columns, 750 pages each, at \$3 pervolume. Bound in cloth, \$3,50—in law binding. A volume will be issued every three months. This promises to be one of the most useful and valuable publications of the age, and commends itself to every person interested in the past or future history of our country. Of the merits of this work, the Hon. James Buchanan, now President elect of the United States, and Gov. S. P. Chase, of Ohlo, in letters to the General Agent, F. E. FOSTER, SAY:

WHATLAND, near Lancaster, ?

WHEATLAND, near Lan Wheatland, near Lancaster, 17th November, 1856.

Mr Draa Sm:—It affords me pleasure to become a subscriber to Col. Benton's Abridgment of the Debates in Congress from 1789 to 1856.—
From the long experience of the Colonel in public affairs, his commanding ability, and his accurate and extensive knowledge of our political history, we may expect that this work will add to his own fame, and prove highly valuable to his country.

Youra, very respectfully,
JAMES HUCHANAN.

December 5, 1856. December 5, 1856.

Dean Sin:—The proposed abridgment of the Debates of Congress, by Col. Beaton, commendatiself to the favor of all Americans. The work itself is most important. It will place within the reach of thousands otherwise inaccessible treasures of historical knowledge. It will make audible to the present generation the discussions of the past—deeply interesting themselves, but even more interesting as exhibiting the beginnings of great traces of events, the procession of which is yet passing before our own eyes.

And no man is so well fitted for this work as the distinuished statesman who has undertaken it. His large experience in the public councils, and his comprehensive judgment, afford sufficient guarantees that nothing will be retrenched which should be retained, or retained which should be retrenched.

Very respectfully yours.

Very respectfully yours, S. P. CHASE. FRANK E. FOSTER, Esq.
